

# Bond Advisory Council

Wednesday, March 12, 2025

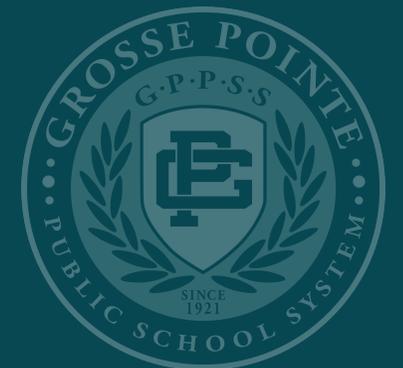

# Dr. Andrea Tuttle Welcome

## Superintendent's Welcome and Opening Remarks (6:00-6:30 p.m.)

- **Acknowledgment of Volunteers and Committee Selection**
- **Housekeeping**

## Introduction of Committee Members (Name, children currently in district, children who have graduated)

- **Bond Advisory Committee Objective:**  
The committee's role is to assess district needs, provide input on potential bond projects, and offer guidance to the Board of Education on key components to be included in the 2025 Bond Renewal language and educational outreach.
- **Review Agenda**

# Agenda

## Introduction of Key Stakeholders

- **Ben Matteson, GPPSS Building/Grounds/Facilities Director**
- **Paul Theriault, Gary Kent: Plante Moran Realpoint**
- **Rebecca Fannon, Community Leader**
- **Colleen Worden, Board President**
- **Timothy Klepp, Board Treasurer**
- **Sean Cotton, Board Trustee**
- **Dr. Roy Bishop, Deputy Superintendent**

## Overview of School Funding

- Explanation of how schools are funded
- Differences between an Operating Millage, Sinking Fund, & Bond Funds

## Rationale for Bond Renewal

- Why the district is pursuing a Bond Proposal at this time
- Estimated revenue generation: **\$120 million over 20 year term**
- Updated Facility Assessment (PMR & GPPSS)

## Bond Renewal Planning Timeline

- **Committee Meeting Schedule (3 to 4 sessions, 2 hours each)**
  - **Location:** North Library
  - **Time:** 6:00 – 8:00 PM
  - **Meeting Dates:**
    - **March 12 (Wednesday)**
    - **April 9 (Wednesday)**
    - **May 21 (Wednesday)**
    - **June (TBD, if needed) (Before June 9) Perhaps May 28 (Wednesday)**
- **Board of Education Meetings**
  - **June 9 (Monday)** – Board of Education Meeting/Recommendation presented
  - **June 23 (Monday)** – Board of Education Meeting & Final Recommendation Deadline
  - **June 23-** Board approval of bond language
- **Ballot Proposal Submission Deadline:** August 11<sup>th</sup>
- **Election Date:** November 4<sup>th</sup>
- **Informational Campaign Timeline:** August – November

## Bond Advisory Committee Activity

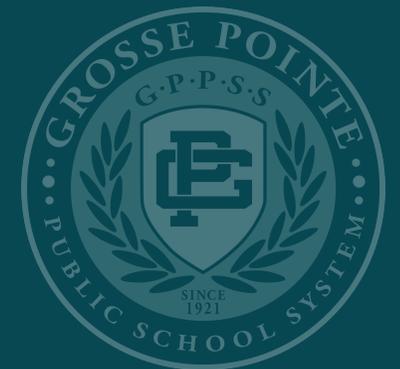

# How are public schools funded in Michigan?

Public school funding in Michigan comes from a combination of **state, local, and federal sources**. The majority of funding is allocated through the **Michigan School Aid Fund**, which determines how much each district receives per student.

1. State Funding (Primary Source – School Aid Fund)
2. Local Funding (Property Taxes and Millages)
3. Federal Funding (Supplemental Aid for Specific Programs)
4. Other Sources of Funding

## Key Takeaways

- Michigan schools are primarily funded by the state through a per-pupil formula.
- Local property taxes (18-mill non-homestead tax) help fund operations.
- Federal funds supplement state and local funding, mostly for specific programs.
- Bonds and sinking funds provide money for facility upgrades, not operational costs.

# State Funding (Primary Source – School Aid Fund)

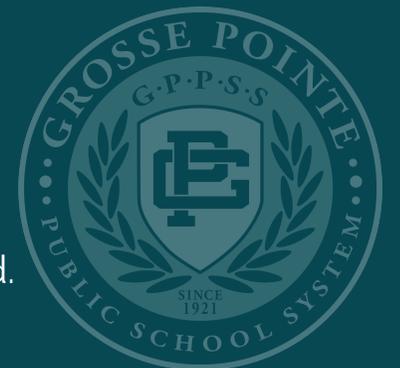

Most school funding in Michigan comes from the **State School Aid Fund**, established by Proposal A in 1994. This fund distributes money to school districts primarily based on a **per-pupil foundation allowance**.

## Foundation Allowance

- Each district receives a set amount per student, determined by the state.
- The minimum foundation allowance for 2023-24 is **\$9,608 per student** (varies by district).
- Higher-funded districts receive additional funding, but gaps between districts have narrowed over time.

## Sources of State Funding

- **Sales Tax (6%)** – A significant portion goes to the School Aid Fund.
- **Income Tax** – A portion of Michigan's state income tax is allocated to schools.
- **Lottery Revenue** – Proceeds from the Michigan Lottery contribute to school funding.
- **Use Taxes, Tobacco Taxes, and Other Fees** – Additional revenue sources supplement the School Aid Fund.

# Local Funding (Property tax & Millages)

While state funding provides the bulk of school funding, local communities contribute through property taxes.

## 18-Mill Non-Homestead Operating Millage:

- Applied to businesses, rental properties, and second homes.
- Generates operational funding for schools
- Homeowners are **exempt** from this millage under Proposal A.

## Additional local Millages:

- **Sinking Fund Millage** – Used for school facility repairs and improvements.
- **Enhancement Millages** – Regional millages that provide additional funding for local districts.
- **Debt Millages (Bonds)** – Used for school construction and large capital projects.

# Federal Funding (Supplemental Aid for Specific Programs)

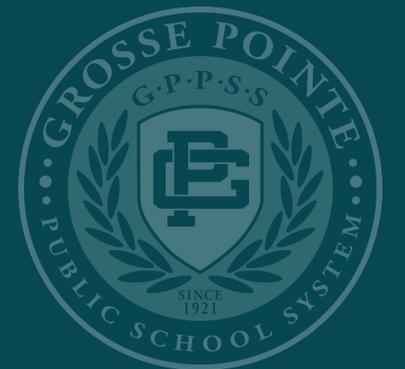

The federal government provides funding, but it makes up a **small portion** of total school revenue (typically 5-10%). These funds are often designated for specific programs, including:

- **Title I Funding** – Supports low-income students..
- **Special Education Grants (IDEA)** – Provides funding for students with disabilities.
- **School Lunch and Nutrition Programs** – Subsidized meals for eligible students.
- **COVID-19 Relief Funds (ESSER, ARP Funds)** – Temporary federal funding to address pandemic-related challenges.

## Other Sources of Funding

Some districts receive additional funding through:

- Grants (state, federal, and private)
- Donations and fundraising efforts
- Partnerships with businesses or nonprofit organizations

# Difference Between Bond Projects, Sinking Fund, & Operating

In Michigan, school districts have multiple funding mechanisms to support operations, maintenance, and capital improvements. The key differences between a **Bond**, **Sinking Fund**, and **Operating Millage** are:

## Bond (Capital Projects Bond)

**Purpose:** Used for large-scale capital improvements, such as building new schools, major renovations, infrastructure upgrades, and purchasing land or equipment.

**Funding Source:** The school district borrows money by issuing bonds, which are repaid over time with interest through property taxes.

**Approval:** Requires voter approval.

**Limitations:** Cannot be used for day-to-day operational expenses, salaries, or routine maintenance.

## Sinking Fund

**Purpose:** A pay-as-you-go funding source for facility repairs, security enhancements, technology upgrades, and other capital improvements.

**Funding Source:** A limited property tax levy (up to 3 mills and 10 years) that generates revenue annually for specific infrastructure projects.

**Approval:** Requires voter approval.

**Limitations:** Funds cannot be used for salaries, classroom supplies, or operational costs. Unlike a bond, it does not involve borrowing money or paying interest.

## Operating Millage

**Purpose:** Funds day-to-day school operations, including teacher salaries, utilities, classroom materials, and programs.

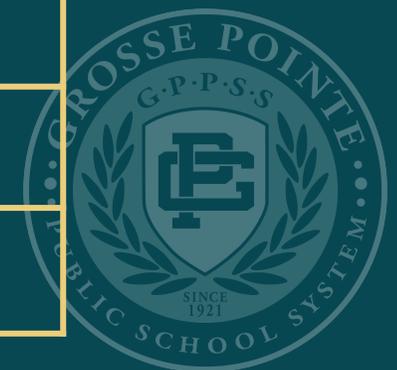

**Funding Source:** Local property tax levy on non-homestead properties (businesses, second homes, and rental properties). Most districts levy an 18-mill operating millage.

**Approval:** Requires voter approval, usually every 10 years.

**Limitations:** Cannot be used for major capital improvements, such as constructing new buildings or large-scale renovations.

<b>Feature</b>	<b>Sinking Fund: ~ \$11M Annually</b>	<b>Operating Millage (General Fund): ~ \$22M Annually</b>	<b>Bond Program -TBD</b>
<b>Purpose</b>	Used for repairs, renovations, safety improvements, and technology upgrades in schools	Funds daily operational costs like salaries, utilities, and supplies	Used for large-scale school construction or renovation projects
<b>Funding Mechanism</b>	Property tax levied for a specific period	Property tax levied on non-homestead properties (e.g., businesses, rental properties)	Borrowed money (loan) repaid with interest via property taxes
<b>Approval Requirement</b>	Voter approval required	Voter approval required for non-homestead properties (typically 18 mills)	Voter approval required
<b>Debt Incurred?</b>	No debt incurred; pay-as-you-go	No debt incurred	Yes, repaid over time with interest
<b>Typical Use Cases</b>	Roof repairs, security upgrades, technology purchases	Teacher salaries, classroom materials, transportation costs	New school buildings, major renovations, large infrastructure projects
<b>Duration</b>	Typically up to 10 years	Typically renewed every few years	Long-term (often 20-30 years)
<b>Interest Costs</b>	None (funds collected and used directly)	None	Yes, since it's a loan

# Key Questions & Recommendations for Bond Proposal Renewal

## 1. Should a bond extension be presented to the voters?

**Recommendation:** Yes.

**Rationale:** A bond would generate approximately \$120,000,000 in revenue without increasing the current millage rate for GPPSS taxpayers. Data indicates that school bond elections with no millage increase have a significantly higher passage rate (84%) compared to those involving a millage increase (51%). This approach maximizes the likelihood of voter approval while addressing critical district needs.

## 2. When should the bond extension be placed on the ballot?

**Recommendation:** November 2025.

**Rationale:** Although an August election is also viable for a no millage increase proposal, a November election is more cost-effective and allows the district additional time to develop and communicate a comprehensive plan. This strategic timing enhances preparedness.

## 3. What should be the term of the bond extension?

**Recommendation:** 20 years.

**Rationale:** A 20-year term is the most fiscally responsible option, generating approximately \$120 million in revenue. While a 24-year term could yield \$124 million, it would result in nearly \$20 million in additional interest payments, making the shorter term a more prudent financial decision.

## 4. What language should be included on the ballot?

**Recommendation:** The ballot language should clearly and accurately describe the intended use of funds generated by the bond. This requires a thorough review by the Board to evaluate and finalize language options that reflect district priorities and align with voter expectations. Clarity and transparency are essential to building trust and ensuring voter understanding of the proposal.

# Existing Debt Millage Projections

- The District meets its annual unlimited tax debt service requirements with revenue generated from its voted debt millage.
- The graph below shows the projected debt millage needed to meet the District's existing debt service payments. As shown, the debt millage is anticipated to begin declining beginning with the 2025 debt levy.
- The decline in debt millage provides an opportunity for an additional bond election without a millage increase over the next few years.

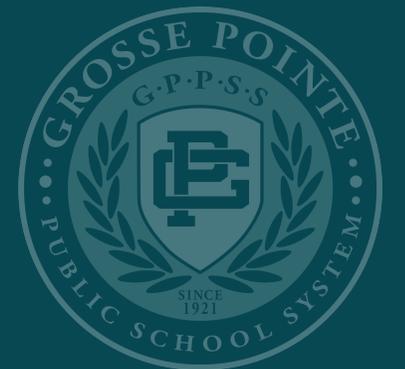

*Millage rates are projections and subject to change based on actual figures. Projections are based on annual taxable value growth rates of 4.00% for 2025, 3.00% for the following 4 years and 2.00% thereafter as well as use of funds on hand.*

# Summary of Sample New Money Bond Options

- We project the District could request the voters for approval to issue bonds ranging from a bond proposition of **\$120 million to \$124 million** without an increase in the District's existing debt millage rate of 3.14 mills.
- The table on the next slide summarizes the two options provided, one assuming bonds are issued in three **20-year** series issues and the other with three **25-year** series bond issues.

Scenario Table No.	Bond Amount	Bond Term	Estimated Total Interest Cost	Estimated Interest Rate	Ballot	Info	Maximum Total Mills All Debt	Increase (Decrease) in Debt Levy
					First Year Millage*	Average Millage		
Series 2025	\$45,000,000	19 yrs., 5.1 mo.	\$29,102,175	4.50%				
Series 2027	45,000,000	20 yrs., 6 mo.	32,169,600	4.50%				
Series 2030	<u>30,000,000</u>	20 yrs., 6 mo.	<u>21,731,850</u>	4.50%				
Total	\$120,000,000		\$83,003,625		0.81	1.51	3.14	0.00
<b>Table_1b</b>								
Series 2025	\$45,000,000	24 yrs., 5.1 mo.	\$38,388,313	4.75%				
Series 2027	45,000,000	24 yrs., 6 mo.	37,443,300	4.75%				
Series 2030	<u>34,000,000</u>	24 yrs., 6 mo.	<u>27,787,500</u>	4.75%				
Total	\$124,000,000		\$103,619,113		0.74	1.43	3.14	0.00

### Assumptions

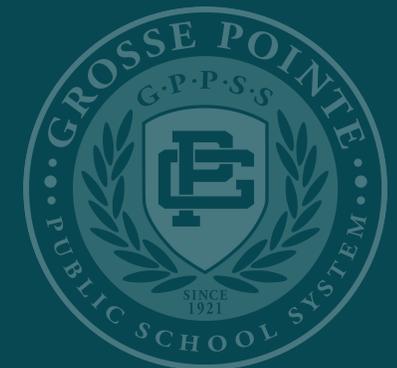

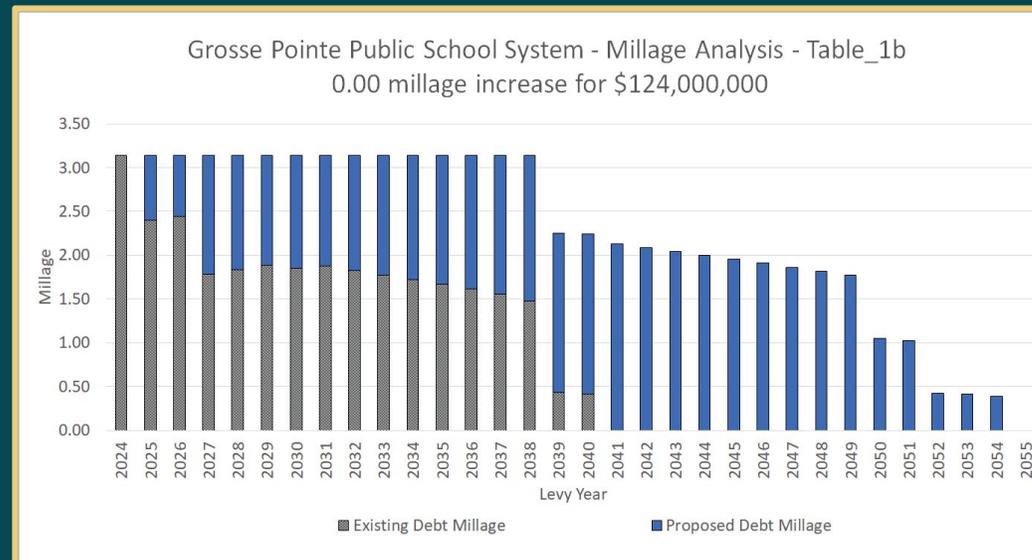

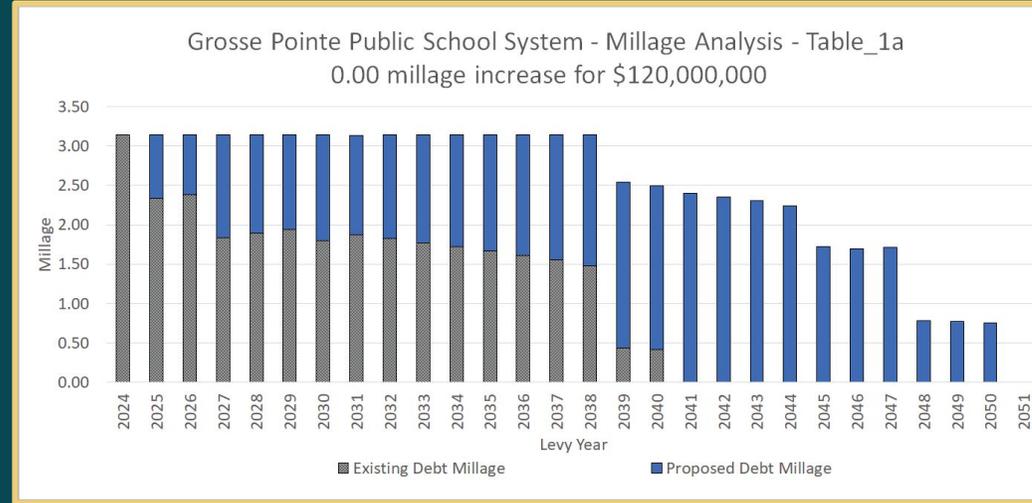

- a debt levy of 3.14 mills for 2024.
- November 2025 vote, Bonds Dated November 2025.
- an annual change in Taxable Value of 4.00% for 2025, 3.00% for the following 4 years and 2.00% thereafter.
- NOTE: In order for the debt millage to be on the December 2025 tax bill for a November 2025 bond election, the bond issuance process for the first series of bonds will need to be expedited with the sale and delivery occurring by the end of November 2025.

*\*The interest rates shown above are estimates. The actual interest rates will be determined at the time of sale. Changes in interest rates may impact the millage required. The final millage will be based on actual interest rates, actual bond payments and actual taxable values.*

# Sample New Money Debt Millage Graph

- The graphs show the projected annual millage related to the District's existing debt (in grey) as well as the sample new bond proposition, with a hypothetical election date of November 2025 (in blue).
- Table 1a provides shorter series bond terms of 20- years while Table 1b provides 25-year bond terms.
- The longer bond terms allows greater flexibility in providing future flexibility to layer in additional debt.

# 2025 through 2027 Elections and Estimated Lead Times

## Estimated Lead Time

- 5 months to 1 year before election
- Ballot must be finalized and approved by the filing deadline if Not State Qualified
- Project scope finalized no later than a week before ballot is to be written

Election Dates	Filing Deadline
May 6, 2025	Feb. 11, 2025
Aug. 5, 2025	May 13, 2025
<b>Nov. 4, 2025</b>	<b>Aug. 12, 2025</b>
May 5, 2026	Feb. 12, 2026
Aug. 4, 2026	May 12, 2026
Nov. 3, 2026	Aug. 11, 2026
May 4, 2027	Feb. 9, 2027

## Issuance / Levy Timing

- Since Grosse Pointe's millage is levied in December, if the District proceeds with a **November 2025 bond election**, in order to place the debt millage on the **December 2025 tax roll**, the bonds must be sold and delivered by the end of November.
- **This will require certain of the bond issuance steps to be completed prior to the bond election, including the preparation of the Preliminary Official Statement and application of bond rating, among others.**

# Committee Meetings

**Committee Meeting Schedule** (4 sessions, 2 hours each)

**Location:** North Library

**Time:** 6:00 – 8:00 PM

**Meeting Dates:**

March 12 (Wednesday)

April 9 (Wednesday)

May 21 (Wednesday)

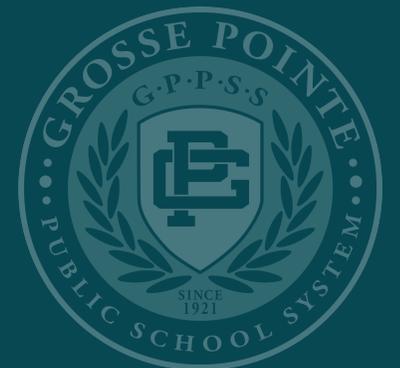

June (TBD, if needed)

June 9 (Monday) - Board of Education Meeting/Recommendation presented

June 23 (Monday) - Board of Education Meeting & Final Recommendation Deadline

June 23 - Board approval of bond language

- **Ballot Proposal Submission Deadline:** August 11
- **Educational Campaign Timeline:** August – November
- **Election Date:** November 4th

# Plante Moran- One firm, infinite resources

Plante Moran is one of the nation's largest certified public accounting and business advisory firm, providing clients with financial, human capital, operations, strategy, technology, and family wealth management services.

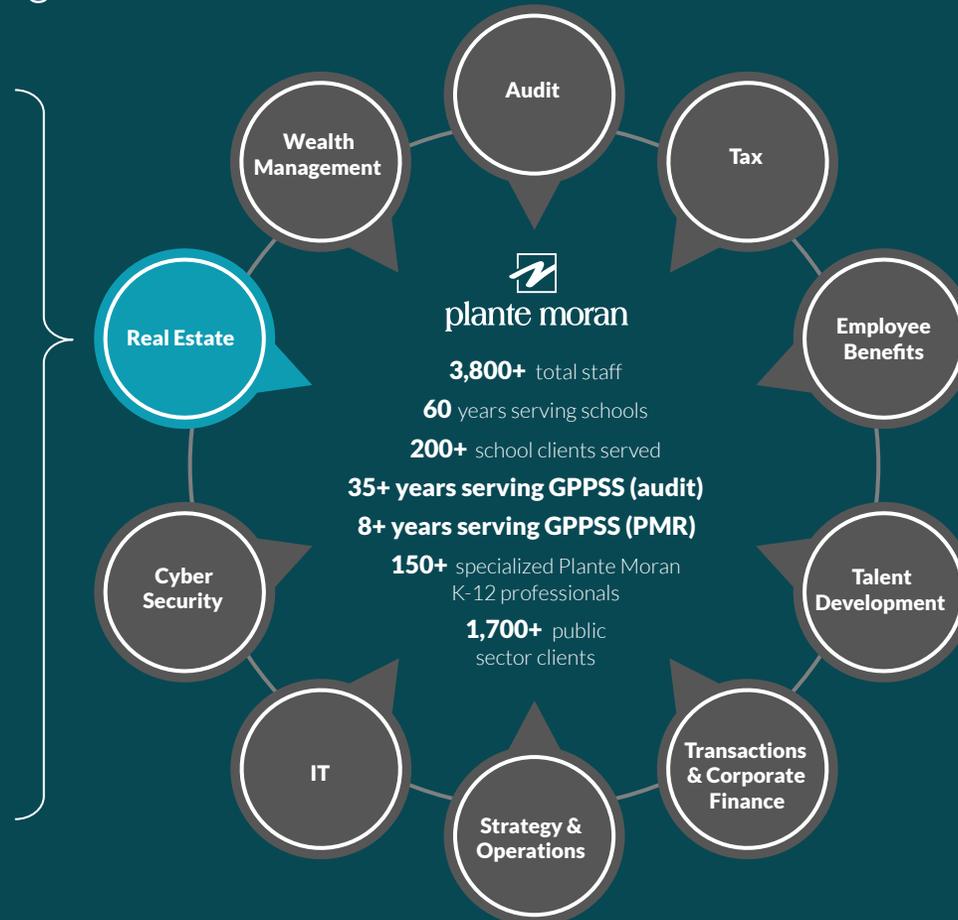

**130+** multidisciplinary staff specializing in real estate & construction

**60+** in-house design and construction professionals

**\$4B+** in active construction program oversight

**\$10B** in construction projects over the last 10 years

Serving GPPSS since 2017

## SEAMLESS SERVICE

Engaging with us will give you unfiltered access to the right experience at the right time through our affiliation with Plante Moran and Plante Moran Realpoint.

## PERSONAL TOUCH

The better we know you, the better we can serve you. We build lasting relationships to foster a client-focused, collaborative culture.

## FUTURE-FOCUSED

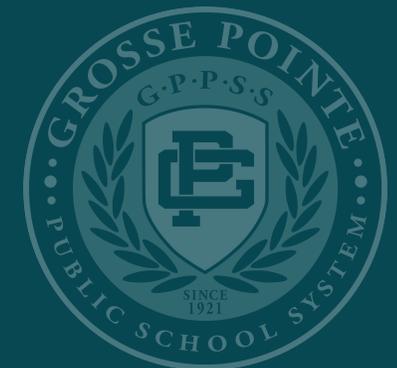

Your future is our priority. We partner with you to help you achieve your goals today and beyond.

# Election Statistics for Michigan School Bond Proposals

- School bond elections with a no millage increase have a higher passage rate **(84%)** than propositions with a millage increase **(51%)**.
- Presidential and Gubernatorial election dates could also impact voter turnout, and election results.

Elections	School Bond Proposals	Passage Rate	With Millage Increase	Passage Rate	Without Millage Increase	Passage Rate

# Real estate & construction “department for hire”

We seamlessly integrate into your educational agency, providing leadership for any strategic planning, facility assessment, or construction project through a single point of contact.

### Real estate consulting

- Development advisory & feasibility
- Incentives
- Market studies
- Facility condition assessments
- Due diligence
- Construction project reviews
- e-Builder implementation
- Debt capacity studies
- Portfolio strategy
- Workplace

### Real estate transaction management

- Portfolio optimization
- Space programming
- Lease administration
- Site Selection
- Tenant & buyer representation (land/facilities)
- Transaction management
- Dispositions, including sale-leasebacks & 1031 like-kind exchanges
- Financing & capital markets

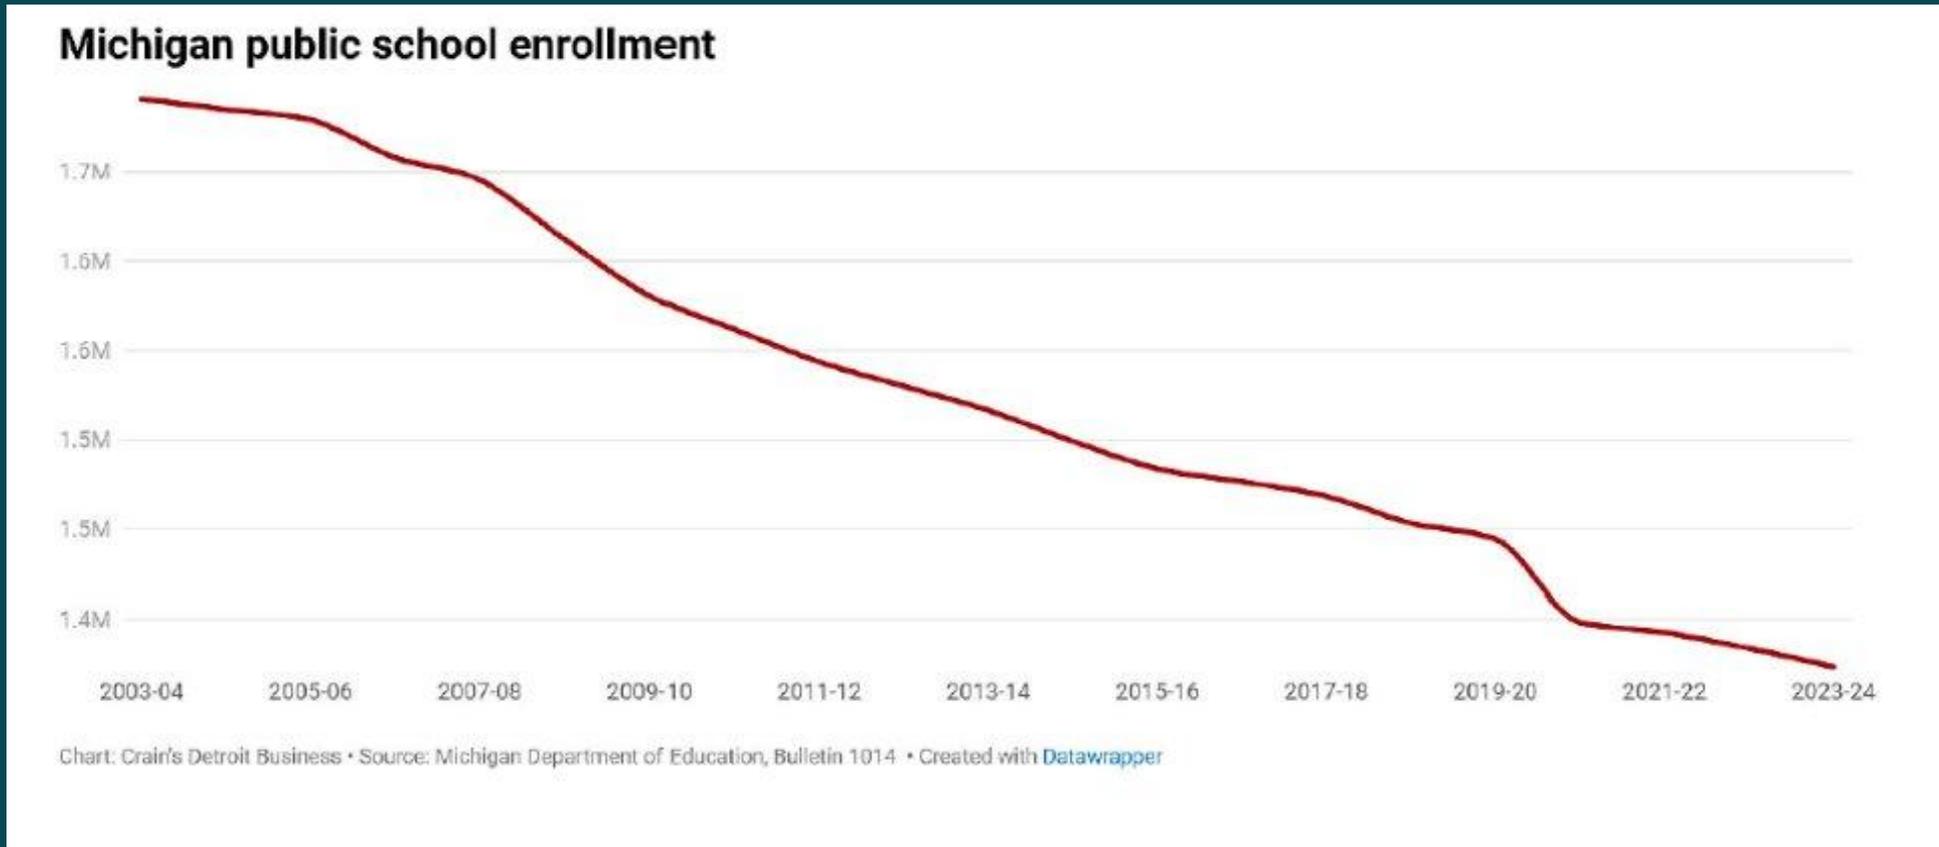

### Owner representation/ program management

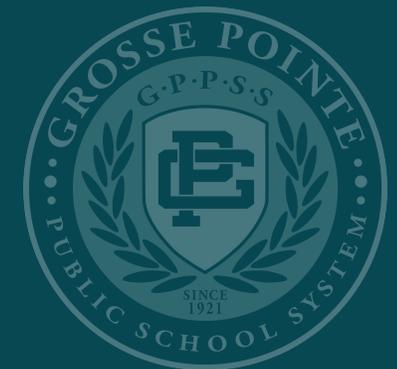

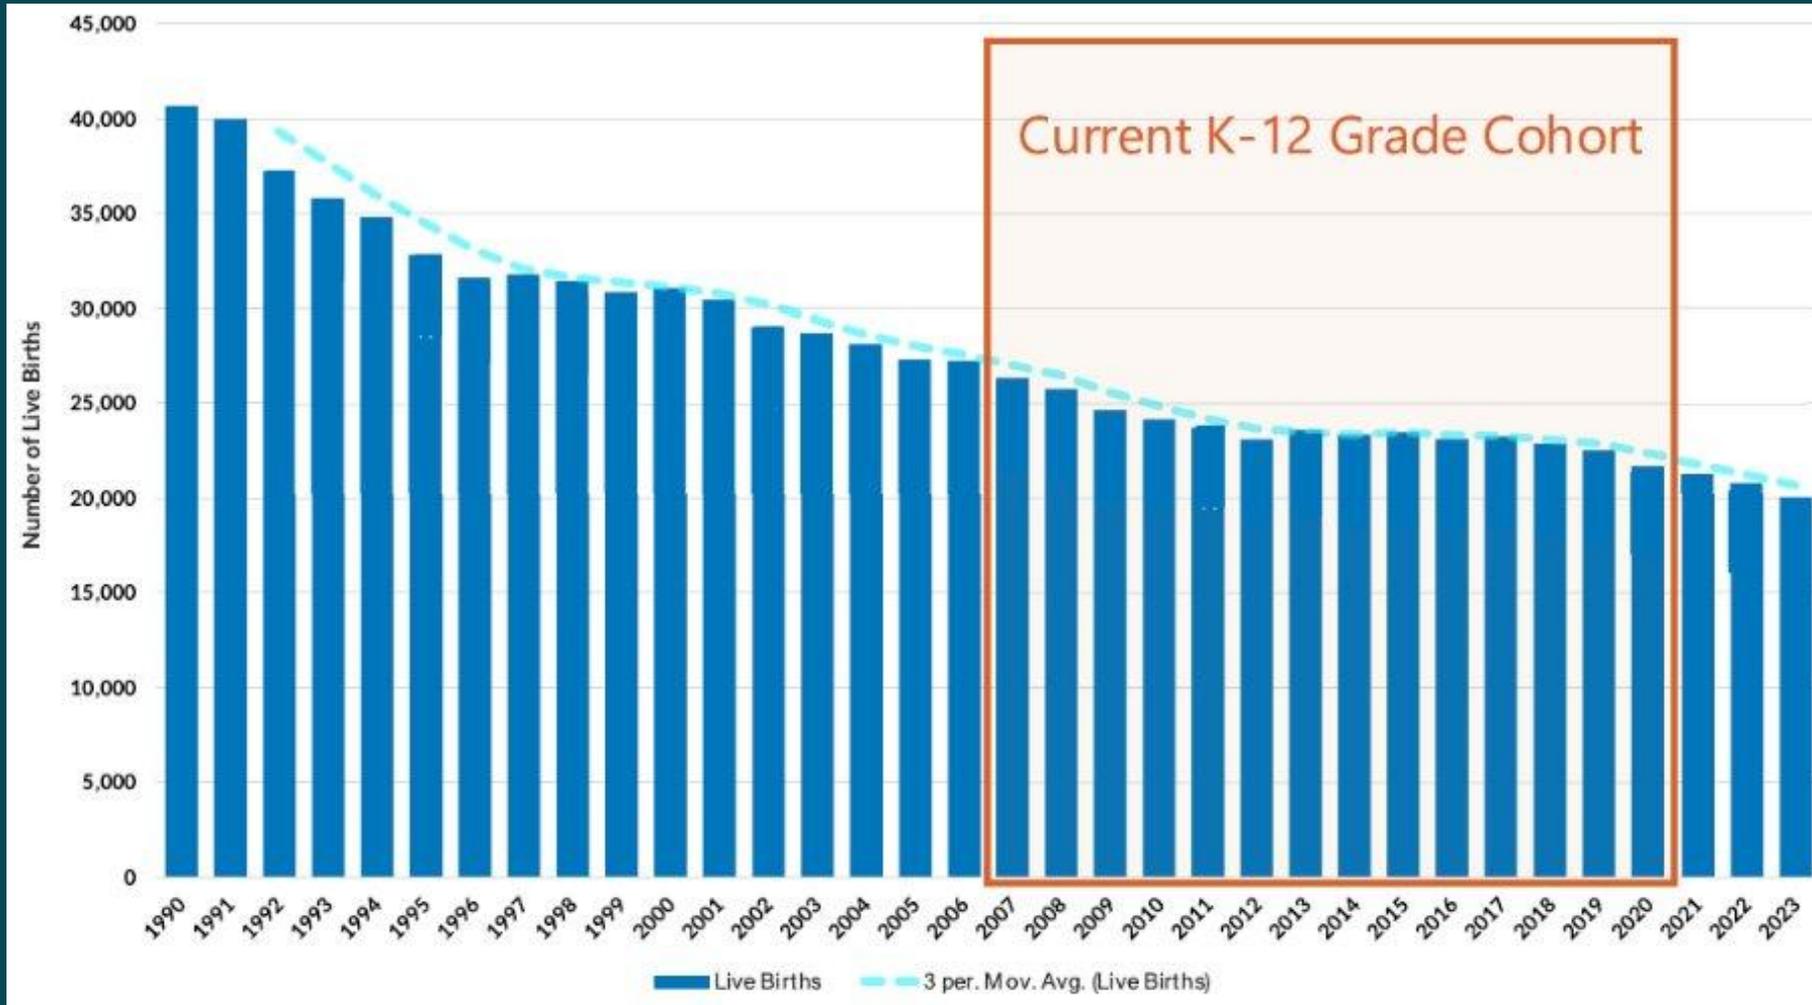

- Program budget, schedule, & scope development
- Team selection & procurement
- Contract advisory
- Furniture, technology, & equipment coordination
- Payment application & invoice review
- Cash flow monitoring
- Relocation management
- Change order management
- Closeout

Critical Needs are items that need to be addressed in the next 0-3 years and/or are critical to the buildings functioning properly and safely. Examples include: Abatement, Life Safety, Security, Roofing/Envelope, Mechanical, Electrical, Plumbing, etc.

# Barnes Early Childhood Center

## SCOPE OF WORK COMPLETED

### 2018 Bond Program

- 2022 CONSTRUCTION
- SAFETY & SECURITY UPGRADES
- TECHNOLOGY UPGRADES
- MECHANICAL UNIT REPLACEMENT
- PLUMBING / RESTROOMS
- ELECTRICAL UPGRADES
- ACM ABATEMENT
- CLASSROOM DOORS & HARDWARE
- CEILINGS, FLOORING AND PAINT
- RESTROOM RENOVATIONS
- CLASSROOM MILLWORK
- LED LIGHTING

### 2019 Sinking Fund

- PLAYGROUND RENOVATIONS

## SCOPE OF REMAINING WORK

### 2024 Sinking Fund Program

- PAVING RENOVATIONS
- CONCRETE REPLACEMENT
- ROOFING REPLACEMENT
- WINDOW REPAIRS
- MASONRY TUCKPOINTING
- HVAC
- REPLACE FIRE ALARM SYSTEM
- TECHNOLOGY UPGRADES
- FENCING UPGRADES

### Potential 2025 Bond Scope

- RESTROOM RENOVATIONS
- LIFE SAFETY
- PLUMBING
- HVAC
- ELECTRICAL
- ENVELOPE
- INTERIOR RENOVATIONS
- ENVIRONMENTAL

# Defer Elementary School

## SCOPE OF WORK COMPLETED

### 2018 Bond Program

- 2020 CONSTRUCTION
- SAFETY & SECURITY UPGRADES
- TECHNOLOGY UPGRADES
- HVAC- HEATING & AIR CONDITIONING
- PLUMBING / RESTROOMS
- ELECTRICAL UPGRADES
- ACM ABATEMENT
- CLASSROOM DOORS & HARDWARE
- CEILINGS, FLOORING AND PAINT
- RESTROOM RENOVATIONS
- CLASSROOM MILLWORK
- LED LIGHTING
- MEDIA CENTER RENOVATION

### 2019 Sinking Fund

- PARKING LOT RENOVATIONS
- PLAYGROUND RENOVATIONS
- HANDICAP RAMP RENOVATION

## SCOPE OF REMAINING WORK

### 2024 Sinking Fund Program

- TECHNOLOGY UPGRADES
- SAFETY AND SECURITY
- REPLACE FIRE ALARM SYSTEM
- ROOFING REPLACEMENT
- MASONRY TUCKPOINTING
- FIRE ESCAPE REPLACEMENT

### Potential 2025 Bond Scope

- PLUMBING
- MECHANICAL
- INTERIOR/FINISHES
- KITCHEN RENOVATION
- RESTROOM RENOVATION

# Updated Facility Assessment - Activity

**Action Item:** Please collaborate with your group to identify your top ten items, and if you have time rank in order of priority (1-10), the Potential Projects. These prioritized lists will serve as the foundation for discussions at the upcoming Bond Advisory Meeting on Wednesday, April 9.

POTENTIAL PROJECTS /SCOPE	POTENTIAL BUDGETS	POTENTIAL PROJECTS / SCOPE	POTENTIAL BUDGETS
Middle Schools Pools	\$3.0M - \$20.0M	Elementary Casework / Countertops	\$2.75M
GP South Industrial Arts (IA) Bldg.	\$0 - \$10.0M	Flooring Replacements	\$7.5M
<b>GP South Main Office Relocation</b>	<b>\$750,000</b>	LED Lighting / Ceilings	\$10.75M
GP South Media Center	\$2.5M	Window Treatments	\$2.5M
GP North 'C' Bldg. / Auditorium	\$4.0M	Elementary Furniture	\$8.5M
GP North Cooper's Square	\$750,000	Middle School Furniture	\$5.0M
Classroom Air Conditioning	\$12.0M	High School Furniture	\$7.0M
Remaining Boiler Replacement	\$14.5M	Information / Technology	\$3.0M - \$5.0M
Pierce Full Size Elevator	\$1.0M	Trombly	\$0 - \$10.0M
Toilet Room Renovations (High Schools)	\$2.75M	Athletic Training Facility – Indoor Fieldhouse	\$15.0M - \$25.0M
GP North Art Studio/TV Production Renovation	\$1.0M	<b>Other Potential Scope Items</b>	TBD

# Next Meeting Objectives

**Answer Questions from Previous Meeting**  
**Review Priorities Summary from Previous Meeting**  
**Discuss & Establish Priority Projects**

**See you on April 9th**
