- The Eastern Region ASD categorical program has been in GP for over 25 years.
- The ASD categorical program is funded by Wayne RESA via Act 18 funding.

- Each child has its own LRE. LRE is not a place.

Variables Considered

Once the IEP team determines a need for a categorical program, special education administration considers the following variables to establish placements.

- Laws from Michigan Rules & Wayne RESA, such as class size limits
- Age/grade
- Level of functioning
- Home school or closest school with an opening (if GP/HW district resident)
- Peers, current or future

- Staff, family, building, & student strengths
- Anything else that informs the best placement decision for the student
