

# Ferry School Locked

As of **Monday, October 31<sup>st</sup>**, Ferry School doors will be locked at all times. The buzzers that are used during the day time hours call the office. When the office is closed, there is no one to open those doors.

Parents coming to pick up their children from Kids Club should come to the green receiving room door off the parking lot. There is a doorbell on the inside of the door frame on the upper right. This is to be used by adults only. Press the bell to ring buzzer. The longer you hold it, the longer it buzzes through the school. Someone will come to open the door. Please be patient.

Anyone coming for after-school activities in the building after the office is closed, should also come to the receiving room door. The custodians will let the instructor/leaders in and then the instructors will be responsible for anyone coming for that event.

Do not let anyone in the building who is not part of your program!

Please Note: No students or parents will be allowed into the building after office hours to pick up homework or left items!
