

Student Technology Acceptable Use Policy for Elementary School Students

Your school provides computers and other technology to help you learn. In order to help you learn, keep you safe and keep our computers in good working order, there are some rules you must follow. Once you've had a chance to learn and understand these rules, we will ask you to sign this form and return it to your teacher.

1. I will never use a computer without permission from a teacher or principal
2. I will only use the computer for school work.
3. I will only go to websites that my teacher directs me to.
4. If I find or receive anything inappropriate, I will tell my teacher immediately.
5. If anyone tries to talk to me on the Internet, I will not respond and will report it to my teacher immediately.
6. I will not share my full name, my phone number or my e-mail address with anyone on the Internet.
7. A teacher or the principal can look at my work on the computer at any time.
8. If I have my own password, I will not share it with anyone except my teacher, my parents or my principal.
9. I will be a good citizen on-line by not using bad language or harassing or bullying anyone on the computer.
10. I will not damage or vandalize any of the school's technology.
