Happy Spring!

Springtime with our PTO is busy busy busy this year! We still have a few events to end out our amazing school year! We have the Dinner at your Doorstep, your dinner is delivered to your door and PTO will receive a \$5 donation for every order! I am so excited for this!

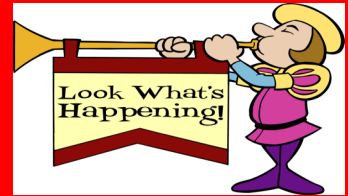

The Kerby Carnival is Friday, June 7! It is going to be a great evening for all of our families to play games, eat some great food and most important enjoy being with each other!

We also have a Question and Answer session with Dr. Niehaus about reconfiguration on May 14 from 5-6. Nothing has been officially decided, it is important for our community to keep asking questions and making our opinions known *in a kind way. We are all working together for what we feel is best for our kids no matter what our personal opinions may be I am so proud of how our community has come together.*

As the school year winds down, I am so proud and grateful for our amazing PTO Board. They have worked tirelessly to support everyone in our Kerby community and have done a tremendous job! If you have any ideas or suggestions for activities, events or fundraisers please let one of us know and let's make it happen! Kerby is a great school because of the contributions from everyone!

Lots of love and hugs to you all!
Kate Walczyk
PTO President
