**Our Walk-a-Thon was a huge
success due to our awesome
parents, teachers/staff, friends,
family and volunteers.**

Thank you!

**Kerby supporters are
the best**

Over \$24,000 raised!

Happy November!

November is about gratitude, and at Kerby this November we have so much to be grateful for!

I'm grateful our community is so strong, we saw this with all the amazing participation and donations throughout the fall. I'm grateful for our students at Kerby, not only are they going to great school, but they are polite, smile and are having fun while learning! I'm grateful for our Kerby staff who come to school everyday to educate, lead, and be there for our babies, we can never do enough for them! I am grateful for our PTO Board who have planned so many wonderful events this year and keep doing more and more because they care about our kids and want what is best for them. I am grateful we have each other to talk to at drop off, pick up, at play dates, via text or calls to lend support and advice. The friendships I have made at Kerby will last long after my girls will have graduated from Kerby. Enjoy our month of gratitude!

Kate Walczyk, President

"HELP HUDSY PAY IT FORWARD"
