NEW PLAYGROUND EQUIPMENT!!!

Happy Fall Y'all!

We survived the first month of school!!! Congratulations to you and your family on that amazing accomplishment!

As those first few hectic weeks start to wind down and school life sets in our PTO continues to work hard for our school! Our team has kept our momentum growing by planning new events and seeing the happy faces of our students as they benefit from them! The playground equipment has been installed, new Chromebooks can be found around the school, and our staff is being shown how much all of us value what they do for our students. We are continuing to ask for more requests and to fund more great things! If you have an idea or see a need within Kerby, come to our next meeting and share your proposal!

Fundraising to support all of these great projects is going great! Our book fair was a tremendous success and will continue to finance birthday books, Scholastic News and other great supplemental educational materials!

Please consider donating to Walkathon as it is our biggest fundraiser of the year and allows us to continue providing all of the projects (plus more) that I have already mentioned. Come enjoy our other events as well, make new friends, check in with the ones you haven't seen yet and be a part of our wonderful community!

I have enjoyed meeting so many of you volunteering and attending our events and look forward to many more of these encounters! Our next meeting is Tuesday, October 16 at 6:30 in the Kerby Library. Please drop by and say hello, we would love to have you!!

Have a great fall!!

Kate Walczyk, President
