

MAIRE ELEMENTARY | TEMPORARY WALKING/BIKING ROUTES

DURING CADIEUX ROAD CONSTRUCTION (From September 1st until approximately November 1st, 2019)

THANK YOU FOR YOUR COOPERATION!

As part of the Safe Routes to School grant that Maire was awarded, construction to improve Cadieux Road is just beginning! To keep our MAIRE BEARS safe during construction, we have planned new, temporary routes for students and parents to take when walking and biking to school.

Please review these routes and make appropriate adjustments to your drop-off/pick-up routine to allow for enough time. Because of the crosswalk and roadway construction, Cadieux Road will not be crossable on foot anywhere except for Mack and Kercheval Avenues.

****These new, temporary routes are for walkers and bikers north of Kercheval Avenue ONLY. Families south of Kercheval should continue to use the same safe routes already in place.**

ICON KEY

-  ROAD UNDER CONSTRUCTION
-  CLOSED INTERSECTION TO WALKERS & BIKERS
-  OPEN INTERSECTION TO WALKERS & BIKERS
-  PREFERRED ROUTE FOR WALKERS & BIKERS

MAIRE ELEMENTARY | TEMPORARY VEHICLE ROUTES

DURING CADIEUX ROAD CONSTRUCTION (From September 1st until approximately November 1st, 2019)

THANK YOU FOR YOUR COOPERATION!

The direction of the arrows on the map above shows the anticipated flow of traffic, throughout the reconstruction and improvement of Cadieux Road.

Please adhere to all traffic signs, crossing guards, and public safety officers to ensure safe routes for our students.

As always, please proceed with caution when traveling on neighborhood streets.
