

## **Busy Bee News – November 16**

**Monday, November 19:** Unit 3 math test  
(review sheet coming home today)

**Tuesday, November 20:** A.M. school only

**November 21-25:** Thanksgiving break/No school

**Tuesday, December 4:** Report cards come home

### **A few important items:**

*\*Winter weather is here! Please be sure your child has the appropriate clothing (hat, gloves, warm coat, snowpants, boots).*

*\*Also, many children are wearing their wet boots in class. Please make sure your child has shoes to wear throughout the day. You may want to keep an extra pair in their locker if possible. Thanks!*

*\*Your child has a few things on their See Saw online journal. If you haven't opened an account yet, you can refer to the instructions that were sent home at back to school night (in the red folder). If you have any questions, please let me know.*

**Reading/Writing:** We finished our ant reports and have started researching animals. Students will use the information to write an animal report. Ask your child about their chosen animal!

**Science:** The insect tests will be returned soon. We will begin the motion unit after Christmas break.

**Social Studies:** We will start the geography unit next week.

**Math:** In Unit 3 students learned many subtraction strategies. I am AMAZED at the mathematical thinking that has been going on these past few weeks! Your children are working toward mastery of these facts which is fabulous. Keep practicing the fact triangles at home.

The Unit 3 test will be on Monday, November 19. The review sheet is coming home today. We checked the review sheet together as a class, so it might be a good idea to have your child go over it with you.

Have a great weekend!
