<p style="text-align: center;"><b>Weekly Words:</b></p> <p>Each week we will focus on a word family that will help students during reading and writing. The word family and sight words will be listed in this section of the newsletter each week. We will have five word spelling tests each Friday morning on sight words (found on our word wall) beginning in October. <b>The very first HW packet will come home on Friday Oct. 6th and will be due the following week Friday Oct. 13th.</b></p>	

**Science/Social Studies:**

We continue to work on school/classroom rules and expectations. We discussed that rules are in place to keep us safe, to keep things fair and to keep things organized.

**Krausmann's Comments:**

**Fun Run on Friday, 10/20:** The Mason Fun Run is a PTO sponsored event and is our main fundraiser for the school year. Please look out for information to come home in Boomerangs!

- **\*RESCHEDULED\* Evacuation Drill on Monday, October 2:** Please do not come to school or call the office during the drill so our staff and public safety officers can remain focused on the drill and our students' safety. Please plan ahead as students cannot be released for appointments during the drill. The district will notify you when the drill is complete and students are back in class. Thank you for partnering with us to provide a safe and secure learning environment.
- **Art Smocks:** Please send in an art smock with your first grader if you haven't already done so. The best art smocks are oversized t-shirts that cover all their clothing from any potential messes.
- **Please remember to send in 2 snacks a day for your child.** We have one at 10 a.m. and then at 2 p.m. Also, please make sure that you are sending in snacks that your child likes. Many are complaining that they don't like their snacks.

Have a great weekend!
