

## Welcome to Kids Club!

Thank you for your interest in our program. The School-Age Child Care program, more commonly known as Kids Club, is committed to providing a safe and relaxing environment where children's physical and emotional needs are met. Kids Club allows children to develop an enthusiasm for learning, creating, and exploring through constructive play.

Our staff is in constant communication with parents. Communication includes but is not limited to, email, face-to-face, phone, Brightwheel, flyers and much more! Ask your on-site director for the best way to get in contact with them.

Our staff knows how important child care programs are to the community and we are doing our best to make informed decisions regarding care. The safety of our students and staff takes precedence over everything. We are following the recommendations from the [CDC](#) and the State of Michigan's guidelines very closely in order to maintain our safe and healthy environment for everyone.

## Kids Club Goals and Philosophies

Kids Club focuses on constructive play through art, drama, literature, music, and movement. We aim to establish an atmosphere of respect for self and others, as well as respect for our equipment and materials. Kids Club teaches and encourages self-control, self-esteem, and cooperation. Students will gain a clear understanding of expectations. We provide many opportunities for children to develop coordination and large motor skills through physical activity and outdoor play. Our program provides opportunities to become independent and responsible through self-directed and individualized activities.

Kids Club provides a safe and comfortable environment where children can explore, play, and relax. Our activities foster cognitive, social, emotional, linguistic and physical growth and development. We have a wide variety of books, crafts, games, toys, and equipment.

Arts and crafts are an important part of our program. We make every effort to see that children's clothing is protected while they work on their projects. Parents should be aware that the school system is NOT responsible if dirt, paint, glue, crayons, markers, etc. get on children's clothing.

## Criteria for Admission

In order to be fully enrolled in the Kids Club program, the following process must be completed:

## Hours of Operation

Kids Club takes place Monday-Friday before and after school. Our hours are as follows:

|                              |                |

| Monday-Friday PM             | 3:38-6:30pm    |
| Monday-Friday ½ PM Day Hours | 11:36am-6:30pm |

## Sign-in and Pick-up Procedures

Every parent/guardian dropping off or picking up is required to “buzz” into the building. Every site has a buzzer. Once the buzzer has been pressed, a Kids Club staff member will meet you at the door.

Parents will sign their child into Kids Club each day. Parents may NOT have their child wait at the door to be let into the building while waiting in their car. Parents must walk their students to the door.

No one is to enter the building before 7:00am. Although this is the time when Kids Club begins, it is also the same time that Kids Club staff are allowed to enter the building. Staff cannot enter a GPPSS elementary building until 7:00am. We are not licensed to care for students before 7:00am.

All students have to be picked up from each site by 6:30pm. At pick-up, parents will use the buzzer to alert Kids Club staff they have arrived. A staff member will meet the parent at the door with the child. Those picking up from Kids Club should always carry their identification on them in case a substitute is at your site and is not familiar with you.

If 6:30pm arrives, your child is still at Kids Club and the staff have not heard from anyone, phone calls will be made to all numbers attached to the parents/guardians. If all numbers have been exhausted and no contact has been made, staff will begin calling emergency contact/pick-up persons. Kids Club is only licensed to care for students until 6:30pm. If time passes and no contact has been made, Kids Club staff have no option but to contact local authorities if the time has reached 7:00pm. Children are not allowed to sign themselves out of Kids Club for the afternoon session. In the event of a late pick-up, your account will be charged (see fee sheet).

Students will ONLY be released to authorized names listed on their Child Information Record. All adults picking up a student must bring photo identification. If someone does not have a photo identification and the site staff members have never met the person, the student will not be released to that person. This is a state mandated rule. We will only add names to the Child Information Record in person. If your child will be participating in extracurricular activities and will be late for Kids Club or not in attendance, please contact your on-site director.

A student can only attend any Kids Club session (½ day or regular PM session) if they come to Kids Club directly from school. Students may not be signed into Kids Club after the program has already started. If a student does not attend school that day for any reason, they are not permitted to attend Kids Club.

## Brightwheel App

Upon enrollment, you will receive an invite via email to set up your Brightwheel account. Through the app, you can communicate with your child's Kids Club teacher or administration via messaging, as well as pay monthly tuition.

- Create a free Brightwheel account. When you receive an invitation please create a free parent account using either the website or mobile app. Make sure to use the same email address or cell phone number that the invitation was sent to.
- Confirm your child's profile. You will see your child's profile after you create an account - you can confirm information such as birthdays, allergies, and additional contacts. If you do not see your child's profile, please contact us with the email address or phone number you used to sign up. You will not see updates within Brightwheel until we start to use it regularly.
- Add a recent photo of your student on the app.
- Make sure your phone number is up to date and correct on the app. Text alerts will be sent for emergencies and school closures such as a snow day.
- Set your account preferences. You can adjust your notification preferences within your profile settings on the app.
- Add your payment information. Brightwheel offers secure, automated online payments that save time and give you advanced tools and reporting.

## **Financial Assistance**

Families in need of financial assistance are referred to the Department of Human Services (DHS). Kids Club accepts subsidies from this agency. Parents will be responsible for full payments until authorization has been received and then a monthly copay after a determination amount has been calculated. If at any time assistance is stopped, parents will be responsible for full tuition as of the date the assistance ended.

Payment plans may be available on a case by case basis. Legal guardians are responsible for any balance on their child's preschool account. Accounts must be kept current. Please contact our billing office for more information by calling 313.432.3067.

## **Inclement Weather/Closures**

Inclement weather or power outages may require that the program be closed. Parents are encouraged to tune in to school closings listed on television or radio (watch for Grosse Pointe Public Schools or your specific school) or visit the district website [www.gpschools.org](http://www.gpschools.org). A test notification will be sent through the Brightwheel app. Please make sure your phone number is added and kept up to date. No tuition refunds will be given for days the program is closed for circumstances beyond our control.

## **Mandated Reporting**

The Child Protective Services Act is designed to protect the welfare and best interest of all children. Our employees are considered Mandated Reporters under this Act and are required, by law, to report any suspicion of abuse or neglect to the appropriate authorities. Under this Act, Mandated Reporters can be held criminally responsible if they fail to report suspected abuse or neglect. Our employees are not required to investigate the cause of any suspicious marks, behavior or condition before making a report. We take this responsibility very seriously and will make all warranted reports to the appropriate agency.

## **Behavior Expectations**

Please discuss the following rules with your child:

- Respect all Kids Club staff members
- Respect your peers
- Do not use profane or crude words
- Respect program equipment and school property
- Stay in the Kids Club area unless given permission to leave the room
- Stay with the group at all times
- Clean up after using games, doing crafts, or eating snack

**Kids Club will no longer provide a daily snack for students. Please send in an extra (healthy) snack for your child to eat during Kids Club.**

## Medication

Kids Club staff will administer prescribed medication that is in its original container with the updated prescription label. All medications, including over the counter and prescription, must be accompanied by a doctor's note and school medication form. The container must include the physician's name, the child's name and instructions, name and strength of the medication. The Kids Club staff will keep a record of the time and the amount of medication administered to your child. All medication will be kept out of reach of children and will be returned or destroyed after it is no longer needed or has expired.

Over the counter medications and vitamins must also be accompanied by a doctor's note and medication form and should never be packed in your child's lunch. Over the counter medications must have a physicians, PA, or NP note indicating dosage, frequency, with an end date. It should also be in their original container with a label that clearly states the dosage. We will not administer a dosage larger than what is stated on the label. Please provide a liquid measuring syringe or measuring spoon for administering medication. You may send in over the counter diaper creams, sunscreen lotions and insect repellants, labeled with your child's name. You must complete a [medication permission form](#).

## Codes of Conduct and Discipline Procedures

The Kids Club staff use positive methods of discipline that encourage self-control, self-direction, and cooperation. We utilize a progressive discipline policy that aligns with the GPPSS Student Code of Conduct. Limits and expectations will be stated clearly and appropriately for each child's developmental level. When children are asked to change their behavior, reasons will be given and the adult will state an alternative behavior. Inappropriate behavior will be redirected. Children are never left alone. Physical or emotional punishment is prohibited, including spanking, bribery, shaming, threats or deprivation of snacks or other privileges. It is expected that parents refrain from using physical punishment or threat of punishment while on the premises.

Should an incident occur during Kids Club, parents would be notified via telephone or by face-to-face communication. If an injury occurs, aside from being notified via the above ways, an accident report will be given to parents to sign. Parents take a copy of the report with them.

Parents will be given appropriate notice if problems arise that cannot be accommodated. It is under the discretion of Kids Club administration to determine student suspension/removal from the program.

The Student Code of Conduct can be found on our district website, [www.gpschools.org](http://www.gpschools.org), under School Board, Policy. For a printed copy, please call 313.432.3010.

## **Unsafe Behavior Policy**

Safety is our top priority. Kids Club students that display behaviors that put others at risk will be subject to this policy. These behaviors include, but are not limited to, pushing, scratching, hitting, kicking, throwing objects, etc. The Kids Club program will take the following actions if necessary:

- Document behaviors
- Notify parents if a problem occurs within the program
- Set up a meeting with Kids Club staff, program director and parents to discuss preventive strategies
- Develop a behavior program and share with the parent(s)

If the behavior continues despite the interventions taken, the student may be withdrawn from the program. If re-entry is considered, a timeline will be discussed on a case by case basis.

## **Staff Training and Screen Process**

In alignment with the State of Michigan, Kids Club operates at a 1:18 ratio (1:12 at sites that accommodate Pre-K). Our qualified personnel care about your child's well-being, happiness and safety. Every Kids Club staff member is required to undergo a Comprehensive Background Check and Fingerprint through the Michigan Department of Child Care Licensing. All sites are licensed by the State of Michigan. Each site has a parent handbook available for review at any time.

Staff members are required to receive at least 16 clock hours of training each school year. Staff members also are required to successfully complete training in "blood borne pathogens" and CPR/First Aid. All staff members of the Grosse Pointe Public School System are required to have their fingerprints checked at the state and federal level.

The GPPSS Department of Human Resources must have these prints on file in order for an employee to begin working. Staff members working for the GPPSS Kids Club program have an additional set of clearances they must complete for employment. All new employees must submit documentation through the Department of Human Services "Family Independence Agency" indicating that they have no history of abuse or neglect. New employees must also submit current physical and TB test results.

### ***Volunteers***

Volunteers will submit an ICHAT through the State of Michigan and sign a mandated reporter abuse and neglect statement.

## **Injuries/Child - Staff Illnesses and Parent Notification Plan**

All Kids Club staff and the program director are required to maintain current certification in CPR and basic First Aid. In the event of an accident involving your child:

- Staff will administer basic first aid.
- Staff will comfort your child.
- Staff will notify you at pick-up if your child suffered a minor accident.
- Staff will notify you via phone if the injury is non-threatening but is more involved than a scrape or bump.
- Staff will complete an accident report and a copy will be sent home with you. A copy of the report signed by you will be kept on file at the GPPSS Administrative offices.

If your child's injury is on the head, neck or back or is more significant, we will call you immediately to discuss the injury. The program director and/or the Kids Club staff may recommend that you pick up your child and take him or her home or to your child's pediatrician for a more complete assessment.

In case of a serious injury, staff will implement the GPPSS Kids Club Emergency Plan in Case of a Serious Injury:

- 911 will be called for an ambulance, if necessary.
- The Director of School Age Child Care will be notified of the situation via a phone call from the Program Director.
- The child's parents will be notified via a phone call from the child's on-site director. Parents will be notified of the hospital their child is being transported to.
- The Program Director will accompany the child to the hospital in the ambulance.

If the Program Director is unavailable, the child's on-site director will accompany the child to the hospital in the ambulance and the other Kids Club staff members will assume director responsibilities.

We ask that you keep your child home if they are feeling sick. Please have a few alternate plans in the event your child cannot come or stay at school because of illness. Parents, please be prepared to get a phone call if your child is experiencing any of the following:

- Shortness of breath
- Difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- Nausea
- Vomiting or diarrhea
