

Region 29 Core Performance Indicators

District: Grosse Pointe Public Schools

Person Completing Worksheet: _____

General Information: CTEIS CPI data from 2019-20 is used for 2021-22 District SMART Goals. If your district's % for any CPI is below **90% of the State Required %**, you must have at least one activity aimed to assist with meeting the SMART Goal.

Directions: Note that you are to insert data & information in green sections only

1. List your district's CPI percentages in Column 6
2. If your district's percentage in Column 6 is **below** the 90% state required (Column 3), place an 'X' in Column 5
3. In Column 8, state the SMART Goal for the specific CPI. The measurable data must be available in the CTEIS
4. In Column 9, define the activities aimed to assist with meeting the SMART Goal. State the SMART Goal and the activities aimed to assist with meeting the SMART Goal.

NOTE: Data must be provided for each CPI. <http://analytics.cteis.com/> <http://www.cteisregion29.org/>
