WHAT DOES A CUB SCOUT DO?

Your son or daughter can learn to tie knots, set up a tent, or shoot a bow and arrow (archery). Has your child ever cooked a meal on a campfire? Sent a secret code to a buddy? Built a birdhouse? Played ultimate Frisbee or hiked? Cub Scouting is fun and no matter what grade they are in, kindergarten through fifth, it is a blast. Do they like to learn by doing? Then Scouting is just the place!

THE CUB SCOUTING PROGRAM

The Cub Scouting Program is a year around program that boys and girls can join anytime. It's flexible enough to work with other extra curricular activities that they may also be involved in.

LION CUBS learn by doing through exciting indoor and outdoor activities designed for kindergarten children and their adult partner.

TIGER CUBS is Scouting's program for first grade children (or 7 years old). Tiger Cubs do stuff - lots of stuff - with their adult partners. This program is intended to open up the world to inquisitive minds along with the caring guidance of adults.

CUB SCOUTING is a family centered program where 2nd and 3rd grade children meet regularly in small groups to work on projects. Learning is achieved through an advancement program. All Cub Scouts wear uniforms, earn badges, learn new games and have a great time with new friends!

WEBELOS (We'll Be Loyal Scouts) is a 20 month program for 4th and 5th grade children to prepare them to join a Boy Scout troop (Scouts BSA beginning in February 2019) while learning outdoors skills. A well-run group of Webelos is a gradual change from being an 'adult-run' den to being a 'youth-lead' patrol ready to fit right into an adventurous Scout troop.

GIRLS CAN NOW JOIN IN ON THE EXCITEMENT OF CUB SCOUTS!

Beginning in Fall of 2018, families can choose Cub Scouts for their sons AND daughters. We recognize that families today are busier than ever and with less free time, want convenience. By creating a scouting program that offers programs for both boys and girls, families will be able to participate in Scouting activities as a family. Family Scout Packs will offer single gender dens that will allow boys and girls to learn and grow at the pace that is unique to their development.
