Dear Parents of Returning Students:

For the 2014-2015 school year, families will again, follow an **online** pre-registration process. After completing the online pre-registration, students will report to South registration during the week of August 18th. In order to attend South Registration in August, a parent signed **Pre-Registration receipt for each student must be printed from the software** and presented at registration. Schedules will not be released without these documents.

The link to online registration, along with specific instructions, will be available on the school and district websites, www.gpschools.org, August 5th. A Reminder email will be sent the last week in July from GPRegistration with your Parent Portal pin and password to your email address on file. **A parent/guardian email address is required to complete the online process. If your email address has changed, update it with the school district by emailing ParentConnect@gpschools.org. If you have changed your home address, it is mandatory that you update your address with the Residency/Enrollment office at 389 St. Clair in Grosse Pointe at least one week before registration.** If you have any questions you can contact the residency office at (313)-432-3083. Please note: any bookmarks you may have saved from last year's online registration will have changed.

- All families will need to Pre-Register each student online. If online capability is not available at home, parents may access computers at public libraries. Help will be available during August registration where parents can access district computers.
- **All fees/fines and purchases will need to be paid online with a credit or debit card.** (Visa or MasterCard debit cards may be purchased from a variety of neighborhood retail stores – CVS, RiteAid, etc.) **Checks will NOT be accepted at school registration.**

LIFETOUCH PHOTOGRAPHY will be sending a separate mailing to all South families for school pictures taken during registration. Payment is made directly to LIFETOUCH, if pictures are purchased. Senior pictures for the yearbook are being scheduled by Stewart Photography. If other photographers are utilized, please follow school yearbook specifications and deadlines.

Sincerely,

Dr. Matthew S. Outlaw
