Supporting The Leader in Me Initiative

We are often asked how parents can support their school's leadership initiative. Each time we are asked we give the same answer "Use the 7 Habits language at home."

As the school year unfolds, the children are learning the language and meaning of the 7 Habits. By hearing the same language at home and at school, you send the children a strong message of what you believe is important and that we are all on the same team—the team that wants to help succeed. When parents and schools support one another, the sky is the limit!

Below is a summary of each of the habits:

Habit 1: Be Proactive (You're in Charge)

Habit 2: Begin With the End in Mind (Have a Plan)

Habit 3: Put First Things First (Work First, Then Play)

Habit 4: Think Win-Win (Everyone Can Win)

Habit 5: Seek First to Understand, Then to Be Understood (Listen Before You Talk)

Habit 6: Synergize (Together Is Better)

Habit 7: Sharpen the Saw (Balance Feels Best)

Help the Homeless Animals!

at the Michigan Anti-Cruelty Society (MACS)

November 28 - December 17, 2018

Ferry School students want to help the homeless animals in our community! The MACS serves animals by providing humane education, supporting affirmative legislative action and performing adoptions and rescues. The MACS helps to reunite lost pets and conducts cruelty investigations. Their only sources of support are memberships, donations and fundraisers. The animals will be so thankful if Ferry Families could look around their homes or go shopping for some supplies that would make their lives more comfortable.

Please put your donations on the tables outside the office.
