Organizational Skills

Imagine a school morning where everyone knows what to do and is ready on time. Sound too good to be true? Well, it's possible! Organization is a skill learned over time. By teaching organization at home, your child will learn this very important skill. Use the first three habits as a learning tool for you and your child:

Habit 1: Be Proactive

Habit 1 is about initiative and responsibility. Help your child determine what he or she will need for the next day. To start, writing a list may be helpful. Next, have your child gather the non-perishable items and put them in his or her school bag.

Habit 2: Begin With the End in Mind

Habit 2 is about visualizing how you would like something to turn out before it happens. If a smooth morning is the goal, brainstorm with your child how that will look and feel like. Your child may actually have time to do something extra in the morning if he or she is organized and you will all have a happy start to the day.

Habit 3: Put First Things

Habit 3 means focusing on the task when there's something else you would rather be doing — the hardest part of all! Help your child learn how to avoid distractions by reminding him or her that, if they stick to it, all the fun things can come right after— with no guilt or nagging!

WHY SUPPORT THE FUN RUN?

The Fun Run is one of the most direct monetary ways that parents and the community can make an impact at Ferry Elementary. Every dollar raised is a dollar that goes toward supporting our students and their educational experience.

Money raised during the 2017-18 school year enabled the PTO to organize a variety of family events, fund unique opportunities for students and support our amazing teachers. With the remaining funds, in conjunction with reserve funds, the PTO Board has already provided the school with 38 Chromebooks, eight iPads, two charging carts and several Osmo Classroom Kits.

WHAT DOES MY DONATION MEAN FOR FERRY ELEMENTARY?

The PTO will continue to support fun family and student activities, both during and after school, as well as our teachers, but where we hope to make a bigger impact for the 2018-19 school year is the library.

Detailed information on the benefits of transforming our traditional school library into a state-of-the art media center are attached. For exciting Fun Run updates and more details on the media center vision, connect with the Ferry PTO on Facebook (www.facebook.com/ferrypto).

Online pledges via your child's Get Movin' Crew account are preferred, but pledges may also be turned into the school in the form of cash or check (made payable to FERRY PTO).
