## Getting Involved at School

Volunteering is a great way to show your kids that you take an interest in their education. Parent volunteers offer a huge resource and support base for the school community while showing their kids the importance of participating in the larger community. Even if you haven't been involved in the past, start now!

### Four questions to consider:

1. What does the ideal volunteer experience look like to you?
2. What are your strengths and interests?
3. How many hours can you volunteer?
4. Is it better to actually be in the school or take things home to work on?

### Consider some suggestions:

- Help in your child's classroom
- Have goal setting talks with child/teacher
- Mentor or tutor students,
- Use weekly data-sharing folders
- Help organize, cater, or work at fundraising activities
- Help to plan and chaperone field trips
- Organize or assist with a specific club or interest group
- Have regular personalized communication with teacher/school
- Sew costumes or build sets for theatrical and musical productions
- Volunteer to speak in the classroom or at a career day
- Supervise or judge experiments at a science fair
- Be at parent training events
- Invite school visits to your home
- Be involved in interactive homework, tips, and tools for home learning

# Ferry Class T-Shirts

## Ferry K-5 Parents and Guardians:

In effort to build school community, each grade will be assigned a color for a Ferry T-Shirt. This T-shirt color would be the same T-shirt color they will wear throughout their elementary years. There is no need to purchase new ones each fall unless their shirt has been misplaced, stained or outgrown.

To show class unity, students will wear these shirts when attending field trips, celebration parties, spirit days, and other special activities throughout the year.

The staff at Ferry will wear tie-dye shirts to represent all the grades. All shirts will have Ferry Elementary logo printed on it.

We hope to have all the students participate in our school wide-school spirit T-shirt program.
