

How to watch a pencast...

From a computer

- 1) Download the file to be viewed from the webpage.
 - 2) Save a copy to your desktop or folder of your choice.
 - 3) Open www.livescribe.com/player in a browser window
 - a. Suggestion: bookmark the page for further use
 - 4) To open the file to be viewed either use the “choose file” button on the player webpage or “drag and drop” the file into the player
 - 5) You’re ready to watch!
- Note the settings button in the top right corner of the page .
 - Choose whether or not to preview strokes
 - Suggestion – deselect this if viewing for first time
 - Choose the pen color
 - I personally prefer blue – it’s easier to read than the default color

Using the LiveScribe Plus app (iPhone or Android)

- 1) Using a web browser, locate the file to be viewed
- 2) Click on the file link to open it
- 3) Choose the “open in” option on the bottom right corner of the screen
- 4) Choose the LiveScribe Plus icon
