January 2022

Dear Parents:

All current 6th graders will be completing registration for their 7th grade school in early 2022. Please review and complete the 7th grade Course Selection sheet attached below. All seventh grade students will be automatically scheduled to take math, science, English and social studies as mandatory courses based on current classes. All honors placements will be reviewed in June 2022 for final placement. [Parcels Honors Criteria Link](#)

Your child will only need to select elective classes. **Elective classes MUST total 2 full year classes, 4 semester classes or a combination of 1 full year and 2 semester classes (Please note that semester classes are only half a year.)** Click on the [Middle School Program of Studies LINK](#) and review course descriptions.

As you review the elective class registration form with your child, please guide them as they make their choices and **sign the form**. We will make every effort to honor your choices; however, please be aware that students may receive some, but not necessarily all, of their elective course choices.

Your child must return the signed registration form to their SCIENCE teacher, no later than Friday March 4th, 2022.

Sincerely,

Gina Hawkins (A-K)
