

The background image shows a large, modern university building with a central section featuring a tall, narrow glass facade flanked by brick walls. To the left, a lower brick building is labeled 'CHRISTIAN A. FENTON PERFORMING ARTS CENTER'. The main building has a sign above its entrance that reads 'GROSSE POINTE NORTH'. Several cars are parked in the foreground, and a few people are visible on the right side. The sky is blue with scattered white clouds.

Welcome to North!
