PLEASE READ BEFORE SIGNING!

Mason School staff understands that some students carry cell phones to school for after school communication with parents. However we ask that parent discretion be used in deciding the real need for a cell phone at school. Keep in mind that if your child needs to contact you during the day there are phones in every classroom and in the office.

Keep in mind, Mason School lockers do not lock, which is a safety issue for keeping cell phones and any other electronic devices in a locker. Peer pressure to carry a cell phone is not promoted at the elementary level. Students need to concentrate on academic studies and not be distracted by incoming texts and phone messages on cell phones. Therefore, we do require students to check their phones into and out of the office everyday and that all other electronic devices be kept at home for security reasons.

If it is essential that your child bring a cell phone to school, they will need to follow the guidelines below:

1. Cell phones must be turned into the office upon entering the building. Your child must turn off their phone before giving it to office staff. Phones will be placed in individual labeled envelopes by office staff.
2. Students must pick up their phone from the office staff after dismissal.

Mason school is not responsible for any loss or damage to a student cell phone that is left in a locker. If your child brings a cell phone to school and fails to follow the above procedure, it will result in a warning/card flip. If your child consistently fails to turn in their cell phone, you may be called to pick it up.

I understand that for safety and security reasons, my child must follow the above procedures.
